Thought for today

Kindness is almost as important to a sick person as medicine. When people come out of hospital after an operation or a bout of illness, one of the things they always comment on is how they were treated by the doctors and nurses.

Jesus asked the leper to keep quiet about his cure. But the man broadcast everywhere what Jesus had done for him. And it wasn't just the fact that Jesus had cured him that he spoke about, but the astonishing kindness and respect with which he had treated him.
